1. Parties

This contract is between the local school board for Silverton 1, hereinafter referred to as the District, and the Colorado State Board of Education, hereinafter referred to as the State Board, to administer accreditation in accordance with part 2 of article 11 of title 22 and 1 CCR 301-1.

2. Length of Contract

This accreditation contract shall have a term of one year.

3. Renegotiation

The contract may be renegotiated at any time by the parties, based upon appropriate and reasonable changes in circumstances upon which the original terms of the contract were based.

4. Attainment on Performance Indicators

The District will be responsible for overseeing the academic programs offered in its schools and ensuring that those programs meet or exceed state and local expectations for levels of attainment on the statewide performance indicators, as specified in 1 CCR 301-1.

5. Adoption and Implementation of District Plan

The District shall create, adopt and implement an Insufficient State Data Plan as required by the Colorado Department of Education (Department), in accordance with the time frames specified in 1 CCR 301-1. Said plan will conform to all of the requirements specified in 1 CCR 301-1.

6. Accreditation of Public Schools and Adoption and Implementation of School Plans

The District will implement a system of accrediting all of its schools, as described in section 22-11-307, C.R.S., which may include measures specifically for those schools that have been designated as Alternative Education Campuses, in accordance with the provisions of 1 CCR 301-57. The District will ensure that plans are implemented for each school in compliance with the requirements of the State Board pursuant to 1 CCR 301-1.

7. Accreditation of Online Schools

The District will implement a system of accrediting its online schools, as defined in section 22-30.7-102(9.5), C.R.S. This system shall adhere to section 22-11-307, C.R.S., including a review of the online school's alignment to the quality standards outlined in section 22-30.7-105(3)(b), C.R.S., and

compliance with statutory or regulatory requirements, in accordance with section 22-30.7-103(3)(m), C.R.S.

8. Substantial and Good-Faith Compliance with Applicable Statutes, Regulations, and Department Policies and Procedures

The District and the District's public schools will substantially comply with all statutory and regulatory requirements applicable to the District and District's public schools and all Department policies and procedures applicable to the District and District's public schools, including, but not limited to, the following:

- Provisions of article 44 of title 22 concerning budget and financial policies and procedures;
- Provisions of article 45 of title 22 concerning accounting and financial reporting;
- Provisions of section 22-32-109.1, C.R.S., concerning school safety and the Gun-Free Schools Act, 20 U.S.C. 7961;
- Provisions of section 22-7-1013(8), C.R.S., concerning statewide assessments, including that:
 - The District and District's public schools will not impose negative consequences—including prohibiting school attendance, imposing an unexcused absence, or prohibiting participation in extracurricular activities—on a student or parent if the parent excuses his or her student from participating in a statewide assessment. If a parent excuses his or her student from participating in a statewide assessment, the District and the District's public schools will not prohibit the student from participating in an activity, or receiving any other form of reward the District or District's public schools provide to students for participating in the statewide assessment; and
 - The District and District's public schools will not impose an unreasonable burden or requirement on a student that would discourage the student from taking a statewide assessment or encourage the student's parent to excuse the student from taking the statewide assessment.

9. Consequences for Non-Compliance

If the Department has reason to believe that the District is not in substantial compliance with one or more of the statutory or regulatory requirements applicable to the District, the Department shall notify the District that it has ninety (90) days after the date of notice to come into compliance. If, at the end of the ninety-day period, the Department finds the District is not substantially in compliance with the applicable statutory or regulatory requirements, meaning that the District has not yet taken the necessary measures to ensure that it meets the applicable legal requirements as soon as practicable, the District may be subject to the interventions specified in sections 22-11-207 through 22-11-210, C.R.S. If the District has failed to comply with the provisions of article 44 of title 22 or article 45 of title 22, the District does not remedy the noncompliance within ninety (90) days and loss of accreditation is required to protect the interests of the students and parents of students enrolled in the District public schools, the Department may recommend to the State Board that the State Board remove the District's accreditation.

If the Department determines that the District has substantially failed to meet requirements specified in this accreditation contract and that immediate action is required to protect the interests of the students and parents of students enrolled in the District's public schools, the Department may lower the District's accreditation category.

10. Monitoring Compliance with Contract

For purposes of monitoring the District's compliance with this contract, the Department may require the District to provide information or may conduct site visits as needed.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Colorado Department of Education (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
