  - Provides explicit and systematic skill development in phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension and;
  - Includes scientifically based and reliable assessments and;
  - Provides initial and ongoing analysis of student progress in attaining reading competency

**READ Act funds will be used to purchase a core reading instructional program that is included on the Advisory List of instructional programming in reading**

- READ Act funds will be used to purchase a supplemental instructional program that is included on the Advisory List of instructional programming in reading

**READ Act funds will be used to purchase tutoring services focused on increasing students' foundational reading skills**

- The tutoring service is focused on increasing students' foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension for students who receive instructional services pursuant to READ plans

READ Act funds will be used to purchase from a BOCES the services of a reading specialist or reading interventionist who is trained in the science of reading and in teaching the foundational reading skills

READ Act funds will be used to provide other targeted, evidence-based or scientifically based intervention services to students who are receiving instructional services, which services are approved by the department

READ funds will be used to hire a reading interventionist to provide services which are approved by the department

READ Act funds will be used to provide technology, including software, which is included on the Advisory List of instructional programming in reading and supporting technologies which may include providing professional development in the effective use of the technology or software

READ Act funds will be used to provide professional development programming to support educators in teaching reading. Professional development programming may include hiring a reading coach who is trained in teaching the foundational reading skills to provide job-embedded, ongoing professional development

# LEP Budget Narrative

**Instructions:** Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

## Implementing Allowable Activities

**Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation.**

Cheyenne Wells Elementary will use the allotted funds for the salary of a reading interventionist.

## Outcomes and Goals

**What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?**

Our outcomes and goals are as follows:  
 Our goal is that students who are below grade level in reading will receive instruction from a highly qualified reading interventionist who will provide appropriate instruction to move students to grade level.

## Potential Barriers

**What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?**

Potential barriers might include lack of support from home from parents/guardians. We will meet with parents frequently, by phone, text, email, or in person to keep them informed about their child's progress and what their roll is.
