## LEP Budget Narrative

**Instructions:** Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

### Implementing Allowable Activities

**Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation.**

Read Act funds will be used to purchase a Core reading program from the approved advisory list before the start of the 2021 school year. We are currently in the process of reviewing samples and browsing through digital demo accounts. We will not know for a while which program we choose. I anticipate using the entire Read Act budget on the Core reading program.

We currently have not used any of the funds allocated to us.

### Outcomes and Goals

**What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?**

By purchasing a new Core reading program, we will be in compliance with the READ Act requirements. We will implement the new reading program at the beginning of the 2021-22 school year. Hopefully by purchasing an approved program, we can continue to provide the students with comprehensive instruction in reading and decrease the number of students with significant reading deficiencies.

### Potential Barriers

**What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?**

Funding may become a barrier in purchasing the core program. I hope to be able to purchase the necessities we will need to get started and possibly use general funds for the remaining items. It is also a possibility to hold off on a few items and purchase them with next year's READ Act funds.

I anticipate that we will be able to make a decision on which program to purchase fairly quickly, however this may become a barrier if the staff can not come to a consensus. We will have to make a decision before the end of June.
