LEP Budget Explanation

Instructions: Select the ways in which you plan to use READ Act funds in the upcoming budget year. In order to submit your budget, all assurances must be reviewed and agreed upon, and all boxes must be checked.

In using the per-pupil intervention money distributed pursuant to the READ Act, each LEP shall ensure that some type of intervention, as described in the allowable activities below, is available to each student who is identified as having a significant reading deficiency (SRD) and who is enrolled in kindergarten through third grade in a school operated by the LEP.

Questions and Assurances

READ Act funds will be used to operate a Summer School Literacy Program

- The summer school literacy program services only students enrolled in K-3 who have an SRD or students below grade level if space is available
- The summer school literacy program will use scientifically based or evidence based instructional programming in reading that:
 - Has been proven to accelerate student reading progress and;
 - Provides explicit and systematic skill development in phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension and;
 - Includes scientifically based and reliable assessments and;
 - Provides initial and ongoing analysis of student progress in attaining reading competency

READ Act funds will be used to purchase a core reading instructional program that is included on the Advisory List of instructional programming in reading

- READ Act funds will be used to purchase a supplemental instructional program that is included on the Advisory List of instructional programming in reading

READ Act funds will be used to purchase tutoring services focused on increasing students' foundational reading skills

- The tutoring service is focused on increasing students' foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension for students who receive instructional services pursuant to READ plans

READ Act funds will be used to purchase from a BOCES the services of a reading specialist or reading interventionist who is trained in the science of reading and in teaching the foundational reading skills

READ Act funds will be used to provide other targeted, evidence-based or scientifically based intervention services to students who are receiving instructional services, which services are approved by the department

READ funds will be used to hire a reading interventionist to provide services which are approved by the department

READ Act funds will be used to provide technology, including software, which is included on the Advisory List of instructional programming in reading and supporting technologies which may include providing professional development in the effective use of the technology or software

READ Act funds will be used to provide professional development programming to support educators in teaching reading. Professional development programming may include hiring a reading coach who is trained in teaching the foundational reading skills to provide job-embedded, ongoing professional development

LEP Budget Narrative

Instructions: Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

Implementing Allowable Activities

Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation.

READ Act funds will be used to purchase the services of a reading interventionist support, at each elementary school, who is trained in the science of reading and in teaching the foundational reading skills. 95% Group - Teaching Blending, Phonics Screeners for Intervention, Phonics Chip Kit, Phonics Lesson Library, Multisyllable Routine Cards. We will be using CKLA, mClass Amplify Intervention Toolbox, and Really Great Reading, along with Orton-Gillingham based Phonological & Phonemic Awareness, Phonics & Word Study, Vocabulary, and Text Reading Fluency.

Outcomes and Goals

What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?

Our expected outcomes and goals from purchasing the services of a reading interventionist are:

1. To support students who are below benchmark by receiving an additional 20-40 minutes of literacy instruction per day that is based on the identified need of the student
2. To focus intervention changes based on information gleaned from the most recent progress monitoring assessment
3. To focus interventions, with no more than one targeted skill/concept, and deliver with intensity to ensure student mastery of skill/concept
4. To deliver intervention instruction in a small group format with the appropriate level of intensity based on the needs of the student

Potential Barriers

What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?

Potential barriers and plan to address/overcome these barriers

Potential barrier: Consistent progress monitoring by classroom teachers

Address/overcome: Create a school-wide assessment calendar to include progress monitoring dates and provide time each month for teachers to meet with the interventionist to review student progress and next steps

Potential barrier: Focused interventions in class and small group

Address/overcome: Allow time, every four-week period, for the interventionist to meet with teachers to discuss and review intervention strategies for student progress in literacy goals
