## LEP Budget Narrative

**Instructions:** Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

### Implementing Allowable Activities

**Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation.**

We will be using part of our funds to help pay for our Center for Collaborative Classroom Being a Reader and SIPPS program materials for Kind. - 3rd grade intervention programming, and part to help fund a Reading Intervention Paraprofessional to use in our Kind. - 3rd grade classrooms with students on READ plans.

### Outcomes and Goals

**What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?**

In particular in a year where all of our students have experienced less school as a result of COVID 19, our goal is that the implementation of the CCC SIPPS program and the addition of a Reading Intervention paraprofessional to help with using the SIPPS program with many of our students will help our student close the reading gap that perhaps they already had before school closure, that was then complicated even further after school closure.

### Potential Barriers

**What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?**

The possibility of continued school closure could complicate our efforts, but we continue to plan for this, developing strong remote learning and hybrid learning models that we feel will be successful.
