Implementing Allowable Activities

Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation.

Allowable Activities:

RE-1 Valley School District has used READ funds since 2012 for a K-3 Summer School Literacy Program focused on growth/achievement of all SRD students.

1. Summer School:

Our three-week Summer School includes:

- 140 students
- student transportation
- 22 teachers
- data-driven instruction
- flexible grouping based on growth/achievement

2. Core Reading:

The instructional program used for summer school is Into Reading which is the material the District uses to support the Reading Writing Framework Student Evidence Outcomes for grades K-3 which are all student product based. However, we do purchase additional materials such as LETRS, FAST, BLAST, FOUNDATIONS, PALS and NWEA to maximize growth/achievement of all students. All materials are on the Advisory List of Programming.

3. Other Services:

RE-1 Valley uses READ funds to partially fund K-3 literacy coaches and instructional coaches to assure student growth/achievement in all classrooms.

Outcomes and Goals

What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?

Outcomes and Goals:

By implementing the allowable activities we selected, we will achieve our goal of enhanced growth and achievement of ALL students including SRD, IEP, ELL and gifted students.

Potential Barriers

What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?

Potential Barriers:

Our potential barriers are created by the Safer At Home restrictions by COVID. We are unsure of the amount of interrupted instructional time we will have with students, the length of instructional time, and the opportunity to train teachers. Our District is in the process of creating three plans to address these challenges.
