LEP Budget Explanation

Instructions: Select the ways in which you plan to use READ Act funds in the upcoming budget year. In order to submit your budget, all assurances must be reviewed and agreed upon, and all boxes must be checked.

In using the per-pupil intervention money distributed pursuant to the READ Act, each LEP shall ensure that some type of intervention, as described in the allowable activities below, is available to each student who is identified as having a significant reading deficiency (SRD) and who is enrolled in kindergarten through third grade in a school operated by the LEP.

Questions and Assurances

READ Act funds will be used to operate a Summer School Literacy Program

- The summer school literacy program services only students enrolled in K-3 who have an SRD or students below grade level if space is available
- The summer school literacy program will use scientifically based or evidence based instructional programming in reading that:
 - Has been proven to accelerate student reading progress and;
 - Provides explicit and systematic skill development in phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension and;
 - Includes scientifically based and reliable assessments and;
 - Provides initial and ongoing analysis of student progress in attaining reading competency

READ Act funds will be used to purchase a core reading instructional program that is included on the Advisory List of instructional programming in reading

- READ Act funds will be used to purchase a supplemental instructional program that is included on the Advisory List of instructional programming in reading

READ Act funds will be used to purchase tutoring services focused on increasing students' foundational reading skills

- The tutoring service is focused on increasing students' foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension for students who receive instructional services pursuant to READ plans

READ Act funds will be used to purchase from a BOCES the services of a reading specialist or reading interventionist who is trained in the science of reading and in teaching the foundational reading skills

READ Act funds will be used to provide other targeted, evidence-based or scientifically based intervention services to students who are receiving instructional services, which services are approved by the department

READ funds will be used to hire a reading interventionist to provide services which are approved by the department

READ Act funds will be used to provide technology, including software, which is included on the Advisory List of instructional programming in reading and supporting technologies which may include providing professional development in the effective use of the technology or software

READ Act funds will be used to provide professional development programming to support educators in teaching reading. Professional development programming may include hiring a reading coach who is trained in teaching the foundational reading skills to provide job-embedded, ongoing professional development

LEP Budget Narrative

Instructions: Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

Implementing Allowable Activities

Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation.

Our LEP plans to implement salary/benefits for reading interventionists and also on supplemental intervention materials from 95% Group. The interventionists will be implementing 95% Group interventions.

Outcomes and Goals

What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?

Our goals in implementing our activities is to increase student achievement, close skill gaps, and see an overall decrease of students identified as SRD and in need of READ Plans.

Potential Barriers

What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?

The biggest potential barrier is the potential for remote learning due to COVID-19. We are planning a learning management system where teachers will still be providing direct instruction to students.
