The district plans to use the funds to help provide an updated curriculum series from the approved list. We currently are seeking quotes from Wonders, and Amplify-CKLA. New curriculum will help engage our students on the subject of reading as well as improve our testing scores.

Outcomes and Goals

What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?

The ultimate goal would be that by implementing the new curriculum listed above that the students, as well as the teachers would have a more positive experience revolved around reading, as well as being able to show growth in the student's testing and reading ability and comprehension.

Potential Barriers

What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?

The main barrier is what the learning environment of this upcoming year is going to look like, as far as remote, or being socially distant in the classrooms. The district is working with many parties to purchase items and professional development to help our students reach the above goals and many others.
