## LEP Budget Narrative

**Instructions:** Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

### Implementing Allowable Activities

**Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation.**

READ Act funds will be used for tutoring support services that focus on increasing students' foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension for students who receive instructional services pursuant to READ plans. A full-time interventionist was hired to achieve these goals.

### Outcomes and Goals

**What are your LEP's expected outcomes and goals in the upcoming budget year from implementing your selected allowable activity(ies)?**

The goal of the tutoring services is to provide the environment, structure, and equity that isn't available at home for many of our students (high population of poverty). The goal is to use the 1:1 time to keep students at grade level or to decrease the existing gaps.

### Potential Barriers

**What are potential barriers in reaching your expected outcomes and goals? How do you plan to address and/or overcome these barriers?**

We do not foresee any new barriers to this program. Hiring a full-time interventionist allows for the accommodation of all students' schedules.
