LEP Budget Narrative

Instructions: Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

Implementing Allowable Activities

Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation. If applicable, please include list of programming being used.

The District will use allocated time, salary and expertise of an experienced reading interventionist to strive and close any reading gaps that students may currently have between same aged peers in kindergarten through third grade. The core program the District currently utilizes for reading is McGraw Hill Wonders. The intervention program the District uses is 95 Percent. The reading interventionist will use best practices such as small group instruction and one on one instruction along with scientifically proven resources to help assess and create and implement a plan that meet individual needs of students. The reading interventionist will communicate on a regular basis with general education teachers, ELL teachers, special education teachers and parents of students she works with daily. The reading interventionist will share what is working and train teachers and/or paraprofessionals how to reinforce or implement practices that are working for each student in her small group settings throughout the elementary building and in different content subject areas. The reading interventionist will adjust needs of students, resources used and grouping of students, resources used and grouping students based on her continual progress monitoring and adjust as needed.
