LEP Budget Narrative

Instructions: Provide a brief description (no more than 700 words) that addresses each of the questions below. These questions must be completed for any LEP receiving READ Act funds before funds are released.

Implementing Allowable Activities

Explain how your LEP plans to implement each selected allowable activity. Please ensure that each allowable activity listed aligns with the allowable use(s) of funds as required by statute and matches the allowable use(s) listed in your LEP budget explanation. If applicable, please include list of programming being used.

Our school district will used the READ funds for the following activities. We offer tutoring services for students K-3 with an SRD two days a week throughout the year. We have approximately 5-6 trained tutors. Our assistant principal and lead interventionist train and manage the tutoring program. We use only approved programming for tutoring. We use the READ money for our Summer School program. Our principal manages the program and we use an extension of our core reading curriculum and intervention materials with our K-3 students who are on an SRD. Students are invited to the program based on their current SRD. Lastly, we will use the funds to purchase additional intervention and core curriculum materials which are on the approved list. Those materials include SIPPS and Into Reading materials.
