Some schools have specialized missions and are designated as Alternative Education Campuses (AECs). These schools serve a student population where either: (1) all students have severe limitations that preclude appropriate administration of state assessments, (2) all students attend on a part-time basis and come from other public schools where the part-time students are counted in the enrollment of the other public school, or (3) more than 95% of the students have either an Individual Education Program and/or meet the definition of a high-risk student, as defined by in the Educational Accountability Act of 2009.

This AEC SPF is composed of required state measures but may also include additional optional measures. The optional measures are submitted by the local district and approved by CDE for inclusion in the AEC framework. Results for these optional measures are provided by the district aggregated at the school level. Districts are encouraged to report three years of data when available.

Measures for the Academic Achievement and Academic Growth indicators have been weighted by N size. For measures in these indicators, points eligible are assigned according to the number of students who participated in each measure. Measures where a greater number of students participated are worth comparatively more weight. The individual weight of each measure in these indicators is derived from: the total points eligible in the indicator (PE), the total number of students represented across all measures in the indicator (Total N), and the total number of students represented in the measure in question (Measure N):

$$\text{Measure Points Eligible} = (\text{Measure N} / \text{Total N}) \times \text{PE}$$

Measures for the Postsecondary Readiness and Student Engagement indicators are not weighted by N size. These measures are apportioned equal weight within the indicator. Please note that due to rounding policies points eligible at the measure level may not sum up perfectly to the total points eligible at the indicator and overall level as displayed.

### Cut-Points for Each Performance Indicator

|  |                                 |               |
|--|---------------------------------|---------------|
| Academic Achievement; Academic Growth; Student Engagement; | at or above 87.5%               | Exceeds       |
| Postsecondary Workforce Readiness                          | at or above 62.5% - below 87.5% | Meets         |
|  | at or above 37.5% - below 62.5% | Approaching   |
|  | below 37.5%                     | Does Not Meet |

The plan type presented above is based on the percent of points earned of the total points eligible on the framework:

**AEC Performance:**  
60.0% - 100.0%

**AEC Improvement:**  
47.0% - 59.99%

**AEC Priority Improvement:**  
33.0% - 46.99%

**AEC Turnaround:**  
0.0% - 32.99%

**Insufficient Data:**  
No reportable data
