 Points Earned

The performance framework evaluates district and school performance on Academic Achievement, Academic Growth, and Postsecondary & Workforce Readiness indicators. The percentage of points earned across all indicators determines the final accreditation rating for a district or the final plan type for a school, which is displayed above. The cut points for final ratings established by the State Board of Education are shown at the right of this page. Failure to meet finance, assessment, and safety assurances may result in a lowered rating. Refer to the scoring guide near the end of this report for more details on how ratings are determined.

*State accountability policy requires 95% student participation in state assessments. Students excused from testing by a parent or guardian do not impact the Accountability Participation Rate that determines whether the overall rating is reduced by one level. Districts or schools with less than 95% total participation in ELA and Math receive a "Does Not Meet 95% Total Participation" descriptor that is informational and does not impact framework calculations. The descriptor does not impact framework calculations. First-year in the U.S. Multilingual Learners eligible to take the ELP assessment count as participants for ELA.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants. For the 1-year report, calculations are based on 2025 state assessment results. Multi-year reports include 2023-2025 results. Cut-scores for the multi-year reports were re-normed based on 2025 results.

Dropout Rates: represent percentages of students enrolled in grades 7-12 for districts and 9-12 for schools at any time during the year who left and did not subsequently enroll in another Colorado school. 1-Year calculations are based on the 2024 End of Year (EOY) data submission. Multi-year reports include 2022 through 2024 records.

Matriculation Rates: represent percentages of high school graduates with a qualifying credential, enrollment, or enlistment status in a Career & Technical Education (CTE) program, a 2- or 4-year institute of higher education, a branch of the military, or a postsecondary program. Beginning in 2024, high school graduates who were enrolled in ASCENT, P-TECH, or TREP programs (i.e., Postsecondary Program) during their 5th year of high school count as successes. 1-Year calculations are based on the 2024 graduation cohort. Multi-year reports include 2022 through 2024 records.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for 1-Year and Multi-Year reports are based on data for students with AYGs between 2021 and 2024.

For additional information about ratings, refer to the scoring guide on the last page of this report.
